Navigating 2018: Trends to watch this year

Today, Sedgwick published its “[Navigating 2018](#)” list, which includes major industry trends to watch this year. Our experienced colleagues take care of our clients by listening to your needs and drawing a roadmap to help you reach your goals. In addition to assisting clients throughout the claims process, we also help you stay informed on key topics in our industry that may impact your employees, customers and businesses. Our thought leaders believe the following topics and trends will have an impact on businesses in 2018, and we will continue to monitor them throughout the year.

- Compounding global risks
- Shifting tide of policy
- Bridging the gaps
- Leveraging interdisciplinary care
- Improving experience through technology

More details on the Navigating 2018 list are available in our [press release](#).

Thank you for your continued partnership, and best wishes for a healthy and prosperous year.

Sincerely,

Dave North
President and CEO
